Code of conduct

- The foundation for the inclusion of a diverse range of contributors and participants. Friendly, safe and welcoming environment for all.
- Respect each other.
- No alcohol.
- See something, say something: coc@bsidesmunich.org
- bsidesmunich.org/codeofconduct

Code of conduct - Expected Behavior

- Participate! The conference goes from good to excellent when you actively engage with the people in the community and the conference subject matter. Think about how your speech and actions may affect others around you and exercise consideration and respect.
- We expect a healthy amount of scrutiny of conference subject matter. But, in cases of disagreement, attempt collaboration before conflict.

See something, say something

Be mindful of your surroundings and of your fellow participants. Alert the **BSidesTeam (Spot us in Orange T-Shirts)** if you notice a dangerous situation, someone in distress, or violations of this Code of Conduct, even if they seem inconsequential.

If you are subject to or witness unacceptable behavior, please bring any concerns to the immediate attention of the event organizers, or send an email to **[organizers@bsidesmunch.org]** which will be monitored during the course of the conference.
